

Mission Australia's Commitment to Child Safety

We will ensure:

SCAN ME!

1

A culture of child safety at all levels of the organisation.

2

You actively participate in decisions impacting you and are aware of your rights and responsibilities.

3

We empower families and communities to participate in decisions which affect their lives.

4

We value diversity and promote inclusive practices.

5

Only people who are suitable to work with children and young people are employed and provided high quality supervision and support.

6

If you feel unsafe or wish to raise a concern you know who to talk with and feel comfortable.

7

Workers are equipped with the knowledge, skills and awareness to keep children safe.

8

We maintain the safety, suitability and security of our physical and online environments which you can access.

9

We embed Child Safe principles within our quality assurance practices.

10

We undertake regular reviews of policy and procedures that document how our organisation is child safe.
